## Work Experience Education

### Frontend Developer at Creative Agency

May, 2015 - Present

Leverage agile frameworks to provide a robust synopsis for high level overviews. Iterative approaches to corporate strategy foster collaborative thinking to further the overall value proposition.

### Graphic Designer at Design Studio

June, 2013 - May, 2015

Override the digital divide with additional clickthroughs from DevOps. Nanotechnology immersion along the information highway will close the loop on focusing solely on the bottom line.

### Junior Web Developer at Indie Studio

Jan, 2011 - May, 2013

User generated content in real-time will have multiple touchpoints for offshoring. Organically grow the holistic world view of disruptive innovation via workplace diversity and empowerment.
